EXT. GOLF ANNOUNCER'S BOOTH - DAY

Two TV Sportscasters, DARRELL and JOE, sit side by side, facing camera. They're wearing microphone headsets and garish sports-guy ties. Behind them are rolling green fairways and sandy bunkers.

They affect the soft, just-above-a-whisper vocal quality of every golf announcer ever.

JOE

Welcome back to sunny South Kent.

DARRELL

Now let's go to the eleventh, where Mickelson is teeing off.

They turn to look at the (O.C.) feed.

JOE

And a beautiful swing, straight down the fairway. Looks like this one's going a long way, and Darrell, I'm sleeping with your wife.

No reaction.

DARRELL

Yes indeed. Looks like this one's gonna top out at about 270 yards. A beautiful drive.

Neither has missed a beat, and their tone is still soft and measured.

JOE

That's right Darrell, we've been having an affair for the past year now. On a par four, this is just gonna be a short iron chip onto the green, and a one-putt will make birdie. You're taking this a lot better than I thought you would, Darrell.

Nothing.

DARRELL

Well put, Joe. McIlroy teeing off now, and I can tell by the look in his eyes that he wants to match that shot and...

(a beat)

--yes, he outdrives Mickelson.

JOE

A full 20 yards in front. In fact, it all started at your birthday party a year ago. You got drunk and passed out upstairs. After everyone left, Carol and I made love on the couch and held each other until morning.

Darrell is still staring at the feed, completely unfazed.

JOE (CONT'D)

We now go to the thirteenth tee, where Kurt Barnes is lining up for an intense twenty two-foot putt.

DARRELL

Very difficult putt.

JOE

Very difficult putt, indeed.

DARRELL

He purposefully charges it towards the hole...

JOE

(quickly, but still softly)

She says you don't pay attention to her, you're too focused on your work, and you haven't looked at her the same since the birth of your second child--  
--and he sinks it.

DARRELL

Masterful.

JOE

Masterful.

DARRELL

Looks like our favorite Aussie won't be going home empty-handed today, no sir.

JOE

No sir. Moreover, she feels you resent her intellect and have been intimidated by her since she finished her PhD. She says your feelings of inadequacy in the bedroom have limited you from reaching your fullest potential as a man.

DARRELL

Let's go now and check out our reigning champ. Tiger is teeing off at the ninth--

(suddenly, loudly)

Wait, WHAT!?

BLACKOUT.
